HOW TO USE IT

1. Write your reason on the line at the top.
2. Tick or fill each box at the end of a dry day.
3. At the end of each week, count the dry days and add up any money saved.
4. Money saved is optional: use the line if you want to track it.

☐ Light gray: Saturday or Sunday (five weekends in January 2027). ■ Gray: not in January.

GOOD TO KNOW

In the United States, a standard drink has 0.6 ounces (14 grams) of pure alcohol (CDC).

Anyone who drinks heavily every day should talk to a doctor before stopping. Free help: SAMHSA National Helpline, 1-800-662-HELP (4357).
