HOW TO PLAY

1. Everyone writes a name in a square until all 100 are filled.
2. Draw the digits 0 to 9 at random for the top and for the side, and write one in each blank cell.
3. At the end of each quarter, find the last digit of each team's score. The square where that column and row meet wins.
4. The teams are set on Jan. 31, 2027. Agree before kickoff that the final square counts overtime.
