$4,152 → $4,188

SSI, individual
$994 → $1,029

Estimates: the 2026 amount times 1.036, rounded down to the dollar, before Medicare or tax deductions. SSA applies the COLA to your primary insurance amount, so your notice can differ by a dollar or two. The highlighted row is closest to the average retired worker. Averages and maximums: SSA 2027 COLA fact sheet. The COLA is automatic; you never pay or sign up for it.
