Monday or Sunday Start Calendar Checklist 2026

Decide the first day of the week, then set it everywhere

DECIDE

- [ ] Choose Monday first: ISO weeks run Monday to Sunday — ISO weeks
- [ ] Outlook starts the week on Sunday until you change it — Outlook
- [ ] Agree on one first day for everyone who shares the calendar — Shared plans

SWITCH

- [ ] Settings, View options, Start week on — Google Calendar
- [ ] Mac General settings, day to start the week — Apple Calendar
- [ ] First day of week list, click a day — Outlook

CHECK

- [ ] ISO week 45 starts; check your week numbers — Mon., Nov. 2, 2026
- [ ] ISO week 44 ends; a Sunday-first row splits it — Sun., Nov. 1, 2026

PRINT

- [ ] freshcalendars.com/printable-monday-start-calendar.html — Print
