Calendar Printing Checklist 2026

Check these settings before you press Print

BEFORE PRINTING

- [ ] Open the PDF and look at the print preview
- [ ] Paper size in the dialog matches the paper in the tray
- [ ] Orientation matches the page (portrait or landscape)
- [ ] Pages: 1 sheet

SCALE

- [ ] Scale: Actual size on US Letter paper
- [ ] Scale: Fit if the tray holds A4 or other paper
- [ ] Mac: Scale Down Only keeps smaller pages at original size

EDGES

- [ ] Every date and the footer are inside the preview
- [ ] Keep dates 0.25 in or more from the edge
- [ ] Borderless only if your printer offers it

TEST

- [ ] Print one test page before a stack
- [ ] Hold the page to a ruler: 8.5 x 11 in sheet
- [ ] Use the ink-saver file for a draft or gray print
