Polio Vaccine Check, World Polio Day Oct. 24, 2026

The four routine U.S. doses of inactivated polio vaccine (IPV)

IPV DOSES (CDC SCHEDULE)

☐ Dose 1 of 4 given	2 months
☐ Dose 2 of 4 given	4 months
☐ Dose 3 of 4 given	6-18 months
☐ Dose 4 of 4 given	4-6 years

CHECK

- ☐ Ask your clinician for a copy of the vaccination record
- ☐ Compare the record with the four ages in the list
- ☐ If a dose is missing or unclear, ask what to do next
- ☐ Write the dates of each dose in the notes area

Dates and notes from the vaccination record
